# FRAMING

## PRICE INDICATIONS

Pricing for framing depends on the moulding chosen, the use of matt boards or image floated, use of glass or laminated without the use of glass.

You can do the framing of your printed images yourself, or ask the studio to quote.

The advantage of having the studio frame your artwork/s is that we guarantee the quality, it's all finished and ready to hang. Any issues with the frame over the years, the studio will sort a reframe at the studio's cost.
